Explanation of Escrow Analysis

Payment Options

Option 1 Pay the shortage in full by the new payment effective date and the payment will be adjusted to the New Monthly Mortgage Payment shown.

Option 2 Pay the shortage with the monthly payment. If we do not receive the full shortage by the effective date of the new payment we will automatically spread the shortage and begin collecting it in the monthly payment.

E How the Escrow Payment is Calculated

Provides the calculation used to determine the monthly escrow payment.

F How the Escrow Shortage is Calculated

Reflects the required minimum balance and the expected minimum balance. The difference between the two amounts equals the shortage.

Escrow Shortage Payment Coupon

If you choose **Option 1**, detach this coupon and send it with the check for the full shortage amount by the due date.

Important Information

Special messages or announcements about the account are shown here. Also, details on the necessary action to take if the payment is set up through an automatic method will be provided here.

Upcoming Escrow Activity

These are the expected payments to and disbursements from the escrow account. The expected payments are based off of the actual amounts paid the prior year. The minimum balance will be noted in red.

Escrow Account History

This section will show you the actual payments into, and disbursements out of the escrow account for the last analysis period. This information can be helpful to you when determining changes with the escrowed items that caused a change to the payment.

Review The Escrow Account History (00/00/0000 to 00/00/0000)

The items below reflect the expected activity last year and compare it with the actual payments received and disbursements made.

Last year, we anticipated that payments from your account would be made during this period equaling \$XXXXXXX. Under federal law, your lowest monthly balance should not have exceeded \$XXXXXXX or two (2) months of anticipated payments from your escrow account, unless your mortgage documents or state law specifies a lower amount. Your actual lowest monthly balance was less than \$XXXXXXX.

What is an escrow analysis?

An escrow analysis is a review of your escrow accounts to determine if the current monthly escrow payment is enough to pay taxes, insurance, and other bills when due. Escrow analyses are typically run annually based on your property tax payment cycle. Occasionally, the payment of taxes or insurance causes the escrow account to reach a negative balance, and it may be necessary to perform more than one analysis during the year.

Can I waive my escrow account?

Escrow accounts are required and cannot be waived on FHA (Federal Housing Administration), GRH (Guaranteed Rural Housing) or VA (Veteran Affairs) loans.

Escrow accounts on other types of loans, such as Fannie Mae or Freddie Mac loans, may be waived if certain conditions are met. Some basic conditions to determine eligibility for escrow waivers are:

- The loan-to-value ratio of your loan must be 80 percent or less.
- There have not been any payments over 30 days late in the last 12 months.
- Loan is not in a Special Flood Hazard Area (SFHA).
- The loan cannot be in foreclosure, bankruptcy or loss mitigation.

Note: If all conditions are met on a loan with required flood insurance, all escrows may be waived with the exception of the flood insurance. Other conditions and requirements may apply; however, if the above conditions are met, please download the [Escrow Waiver Request Form](#) from [flagstar.com/MyLoans](#), complete it, and fax or mail it as directed.

Please note that an escrow waiver fee equal to 0.25 percent of the current principal balance or \$150, whichever is greater, is charged. This fee will be charged unless not permitted by applicable state law.

Why did my payment change?

As the bills for your real estate taxes and insurance premiums change, the amount needed to be collected every month also needs to be updated. Even on a fixed-rate loan the escrow payment may vary, causing a change in the total payment owed. Please see your escrow analysis for more information.

Why do I have a shortage in my escrow account?

Escrow shortages generally occur when property taxes and/or insurance payments increase. Specific questions regarding tax amounts or homeowner's insurance should be directed to your local tax authority or your insurance agent. The following are other common reasons for an escrow shortage:

- An increase in the tax or insurance bill.
- Underestimation of the tax assessment on a new construction loan that was based on land only.
- An unanticipated disbursement, such as a supplemental tax bill.
- Force-placed taxes or insurance.

How can I pay my escrow shortage?

Escrow shortages can be paid conveniently using MyLoans or mailed with your escrow shortage coupon to:
Attn: Payment Processing, PO Box 660263, Dallas, TX 75266-0263.

Whom do I contact to update my loan with the correct tax amounts/information?

Since we may already receive your tax information from your taxing authority, please call the Customer Service Department to discuss the information we may need from you.

My insurance carrier has changed. What do I do?

Please call the Insurance Department at (833) 811-3061. Representatives are available Monday - Friday 7:30 a.m.-8 p.m. ET.

Please refer to [flagstar.com/MyLoans](#) for a full list of Escrow FAQs.
